2006 Annual Report

2006 ANNUAL REPORT

Impact Player Partner's mission is to provide emotional and financial support for our military veterans (and family members) wounded in Iraq and Afghanistan.

Dear Friends:

One of the honors of preparing an annual report is that it gives us the opportunity to look back and see the increased number of wounded heroes and family members we have provided emotional and financial support for. The past fiscal year was one of growth and increased support. Some of the highlights were:

- Provided emotional & financial support for more than 300 wounded heroes and family members
- Averaged \$2,500 per grant for our wounded heroes
- Helped 100% of wounded heroes who contacted us
- Developed strong emotional ties between 25 celebrities and wounded heroes including the Cincinnati Reds, Houston Astros, Ben Crenshaw, Jim McMahon and others
